NOTES AND PRECIS.

D.No. 7209 ✓

S.N.1 ✓

The examination fees collected for the current year's Lower Secondary Examination are short of the expenditure by Rs. 20-11-0. This small excess may be permitted and the remuneration recommended by the Inspector sanctioned.

A sum of Rs. 172 relating to the printing work done at the Residency Press in connection with this examination has already been adjusted and the balance of Rs. 13 will be adjusted in due course. The cost of printing of Urdu paper was sanctioned in May last. The cost of printing at Madras Govt. Press may now be sanctioned.

While there is provision for payment of remuneration to Examiners and Superintendents in the case of European School examinations (vide Article 92 and Appendix XXI of the Code of Regulations for European Schools), there is no corresponding provision in the Grant-in-Aid Code for Indian Schools authorizing payment of remuneration in connection with the Bangalore Lower Secondary Examination. I should like to know if there are any other orders on the subject.
